11. If the registration of a RPP has expired, the Board may require him/her to re-apply for registration instead of renewing his/her registration.
12. The Board may reject an application for renewal if it is satisfied that the applicant does not continue to comply with the requirements for registration set out in s.12 of the Ordinance.
13. The Board has formulated guidelines to consider applications for renewal of registration to ensure the applicant’s continual compliance of the requirements for professional qualifications and practical experience.
